It is my distinct pleasure to endorse the candidacy for Trustee of Edmonton Public Schools, of Mr. Orville Chubb (founder of Odvod Media and publisher of *Avenue Magazine*)

I have had the pleasure of working with Mr. Chubb on committees dealing with educational issues, and have learned to respect his integrity, sense of fairness and sincere desire to help prepare young people to be successful in life and to become contributors to society.

Mr. Chubb has consulted for years for alternative programs with Edmonton Public and deeply values the right of parents to select programs best suited to their child's needs. I know he also desires that all children experience the finest academic training to help them be well placed for the challenges of tomorrow.

I am proud to endorse Mr. Orville Chubb and can without reservation state that I can think of no better person in which to place the trust of children's education.

Sincerely,
